What is the overall deductible?	\$3,500 /person or \$3,500 /person on family or \$7,000 /family for In- Network Providers . \$3,500 /person or \$3,500 / person on family or \$7,000 /family for Non- Network Providers . If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Preventive Care . For more information see below.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

	site of service and how the provider bills.	for some services (such as lab work). Check with your provider before you get services.
