WHO IS ELIGIBLE

If you qualify under the Class Definition shown in the Schedule of Benefits you are eligible for coverage under the Policy on the Policy Effective Date, or the day after you complete the Eligibility Waiting Period, if later. The Eligibility Waiting Period is the period of time you must be in Active Service to be eligible for coverage. Your Eligibility Waiting Period will be extended by the number of days you are not in Active Service.

Except as noted in the Reinstatement Provision, if you terminate your coverage and later wish to reapply, or if you are a former Employee who is rehired, you must satisfy a new Eligibility Waiting Period. You are not required to satisfy a new Eligibility Waiting Period if your insurance ends because you no longer qualify under your Class Definition, but you continue to be employed, and within one year you qualify again.

TL-004710

WHEN COVERAGE BEGINS

You will be insured on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are not in Active Service on the date your insurance would otherwise be effective, it will be effective on the date you return to any occupation for your Employer on a Full-time basis.

TL-004712

WHEN COVERAGE ENDS

Your insurance ends on the earliest of the dates below.

1. The date you are eligible for coverage under a plan intended to replace this coverage.
2. The date the Policy is terminated.
3. The end of the pay period in which you are no longer in an eligible class.
4. The date coinciding with the end of the last period for which premiums are paid.
5. The end of the pay period in which you are no longer in Active Service.

TL-004714

(980003)

WHEN COVERAGE CONTINUES

Your Disability Insurance will continue if your Active Service ends because of a Disability for which benefits under the Policy are or may become payable. Your premiums will be waived while Disability Benefits are payable. If you do not return to Active Service, this insurance ends when your Disability ends or when benefits are no longer payable, whichever occurs first.

If your Active Service ends because you take an Employer approved unpaid leave of absence, we will continue your insurance for up to 24 months if the required premium is paid.

If your Active Service ends because you take family medical leave of absence, we will continue your insurance for up to 12 weeks if the required premium is paid.

If your Active Service ends due to any other leave of absence approved in writing by the Employer prior to the date you cease work, insurance will continue for you for up to 6 months. If your Active Service ends due to injury or sickness, insurance will continue for you for up to 6 months. Premiums are required for this coverage. An approved leave of absence does not include Furlough, Temporary Layoff or termination of employment.

TAKEOVER PROVISION

This provision applies to you only if you are eligible under the Policy and were covered for long term disability coverage on the day prior to the effective date of this Policy under the Prior Plan provided by the Policyholder or by an entity that has been acquired by the Policyholder.

- A. This section A applies to you if you are not in Active Service on the day prior to the effective date of this Policy due to a reason for which the Prior Plan and this Policy both provide for continuation of insurance. If required premium is paid when due, we will insure an Employee to which this section applies against a disability that occurs after the effective date of this Policy for the affected employee group. This coverage will be provided until the earlier of the date: (a) you return to Active Service, (b) continuation of insurance under the Prior Plan would end but for termination of that plan; or (c) the date continuation of insurance under this Policy would end if computed from the first day you were not in Active Service. The Policy will provide this coverage as follows:
1. If benefits for a disability are covered under the Prior Plan, no benefits are payable under this Plan.
 2. If the disability is not a covered disability under the Prior Plan solely because the plan terminated, benefits payable under this Policy for that disability will be the lesser of: (a) the disability benefits that would have been payable under the Prior Plan; and (b) those provided by this Policy. Credit will be given for partial completion under the Prior Plan of Elimination Periods.
- B. The Elimination Period under this Policy will be waived for a Disability which begins while you are insured under this Policy if all of the following conditions are met:
1. The Disability results from the same or related causes as a Disability for which monthly benefits were payable under the Prior Plan;
 2. Benefits are not payable for the Disability under the Prior Plan solely because it is not in effect;
 3. An Elimination Period would not apply to the Disability if the Prior Plan had not ended;
 4. The Disability begins within 14 days of your return to Active Service and your insurance under this Policy is continuous from this Policy's Effective Date.

Benefits will be determined based on the lesser of: (1) the amount of the gross disability benefit under the Prior Plan and any applicable maximums; and (2) those provided by this Policy.

If benefits are payable under the Prior Plan for the Disability, no benefits are payable under this Policy.

TL-005108

DESCRIPTION OF BENEFITS WHAT IS COVERED

Disability Benefits

If you become Disabled, as we define the term in the Definitions section, while you are covered under the Policy, we will pay you Disability Benefits. After you are Disabled, you must satisfy the Benefit Waiting Period and be under the Appropriate Care of a Physician. Also, we ask you to provide us with satisfactory proof of your Disability, at your expense, before benefits will be paid.

We will require continued proof of your Disability for benefits to continue.

Benefit Waiting Period

The Benefit Waiting Period is the period of time you must be continuously Disabled before Disability Benefits may be payable. Your Benefit Waiting Period is shown in the Schedule of Benefits.

We will not require you to satisfy the Benefit Waiting Period if benefits were payable to you under a Prior Plan on the Policy Effective Date and you return to Active Service within 6 months after this date. Your return to Active Service must be for more than 14 consecutive days but less than 6 months. Your later period of Disability must be caused by the same or related causes for your Benefit Waiting Period to be waived.

Trial Work Days

Under this plan, you can attempt to return to Active Service without having to start a new Benefit Waiting Period if you cannot continue working, provided you have not worked for more than the specified number of days. A period of Disability is continuous even if you can return to Active Service for up to 30 days during the Benefit Waiting Period. Your Benefit Waiting Period will not be extended by the number of days you returned to Active Service during this period.

Termination of Your Disability Benefits

Your Disability Benefits will end on the earliest of the dates listed below.

1. The date you earn more than the percentage of your Indexed Covered Earnings which is used to determine if you are Disabled
2. The date we determine you are no longer Disabled
3. The date the Maximum Benefit Period ends
4. The date you die
5. The date you refuse to participate in rehabilitation efforts as required by us
6. The date you are no longer receiving Appropriate Care

Successive Periods of Disability

Once you are eligible to receive Disability Benefits under the Policy, separate periods of Disability resulting from the same or related causes are a continuous period of Disability unless you return to Active Service for more than 6 consecutive months.

A period of Disability is not continuous if separate periods of Disability result from unrelated causes, or your later Disability occurs after your coverage under the Policy ends.

The Successive Periods of Disability provision will not apply if you are eligible for coverage under a plan that replaces the Policy.

Mental Illness, Alcoholism and Drug Abuse Limitation

We will pay Disability Benefits on a limited basis during your lifetime for a Disability caused by, or contributed to by, any one or more of the following conditions. Once 24 monthly Disability Benefits have been paid, no further benefits will be payable for any of the following conditions.

1. Alcoholism
2. Anxiety disorders
3. Delusional (paranoid) disorders
4. Depressive disorders
5. Drug addiction or abuse
6. Eating disorders
7. Mental illness
8. Somatoform disorders (psychosomatic illness)

If, before reaching the lifetime maximum benefit, you are confined in a hospital for more than 14 consecutive days, that period of confinement will not count against the lifetime limit. The confinement must be for the Appropriate Care of any of the conditions listed above.

Pre-Existing Condition Limitation

We will not pay Disability Benefits if your Disability is caused or contributed to by, or results from, a Pre-Existing Condition. A "pre-existing condition" is any Injury or Sickness for which you incurred expenses, received medical treatment, care or services including diagnostic measures, took prescribed drugs or medicines, or for which a reasonable person would have consulted a physician within 3 months before your most recent effective date of insurance.

The Pre-Existing Condition Limitation will apply to any added benefits or increases in benefits. It will not apply to a period of Disability that begins after you are in Active Service for at least 12 months after your most recent effective date of insurance, or the effective date of any added or increased benefits.

We will not apply the Pre-Existing Condition Limitation to your Disability if you were covered under your Employer's Prior Plan and satisfied the pre-existing condition of that plan. This is true only for the amount of benefit covered under that prior plan. If you were covered under your Employer's Prior Plan, but did not fully satisfy the pre-existing condition limitation of that plan, we will credit you for any time you did satisfy. If you are now covered for benefits in excess of your Prior Plan coverage, the Pre-Existing Condition Limitation will apply to the excess amount. For any person who becomes an Employee of the Employer as a part of an Acquisition, the pre-existing condition limitation will not apply.

Time will not be credited toward this limitation for any day you are not actively at work due to your Injury or Sickness. We will extend the limitation by the number of days you are not actively at work due to your Injury or Sickness.

Disability Benefit Calculation

Your Disability Benefit for any month Disability Benefits are payable to you is shown in the Schedule of Benefits. We base our calculation of Disability Benefits on a 30 day period. Benefits will be prorated if payable for any period less than a month.

Work Incentive Benefit

For the first 24 months you return to work your Disability Benefit is as defined in the Schedule of Benefits. If, for any month during this period, the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 100% of your Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

After 24 months, your Disability Benefit is as shown in the Schedule of Benefits, reduced by 50% of your current earnings received during any month you return to work. If the sum of your Disability Benefit, your current earnings and any additional Other Income Benefits exceed 80% of your monthly Indexed Covered Earnings, your Disability Benefit will be reduced by the excess amount.

No Disability Benefits will be paid if we determine you are able to work under a Transitional Work Arrangement or other modified work arrangement, and you refuse to do so.

Current earnings include any wage or salary you earn for work performed while Disability Benefits are payable. If you are working for another employer on a regular basis when your Disability begins, your current earnings will include any increase in the amount you earn from this work during the period for which Disability Benefits are payable.

We will, from time to time, review your status and will require satisfactory proof of earnings and continued Disability.

Other Income Benefits

While you are Disabled, you may be eligible to receive benefits from other income sources. If so, we may reduce the Disability Benefits payable to you under the Policy by the amount of these Other Income Benefits. The extent to which Other Income Benefits will reduce your Disability Benefits is shown in the Amounts of Insurance section of the Schedule of Benefits.

Other Income Benefits include:

1. any amounts you or your dependents, if applicable, receive (or are assumed to receive*) under:
 - a. the Canada and Quebec Pension Plans;
 - b. the Railroad Retirement Act;
 - c. any local, state, provincial or federal government disability or retirement plan or law as it pertains to your Employer;
 - d. any sick leave plan of your Employer;
 - e. any work loss provision in mandatory "No-Fault" auto insurance;
 - f. any Workers' Compensation, occupational disease, unemployment compensation law or similar state or federal law, including all permanent as well as temporary disability benefits. This includes any damages, compromises or settlement paid in place of such benefits, whether or not liability is admitted.
2. any Social Security disability benefits you or any third party receive (or are assumed to receive*) either on your behalf or for your dependents; or, if applicable, which your dependents receive (or are assumed to receive*) because of your entitlement to such benefits.
3. any retirement plan benefits funded by your Employer. "Retirement plan" means any defined benefit or defined contribution plan sponsored or funded by your Employer. It does not include an individual deferred compensation agreement; a profit sharing or any other retirement or savings plan maintained in addition to a defined benefit or other defined contribution pension plan, or any Employee savings plan including a thrift, stock option or stock bonus plan, individual retirement account or 401(k) plan.
4. any proceeds payable under any franchise or group insurance or similar plan. If there is other insurance that applies to the same claim for Disability, and contains the same or similar provision for reduction because of other insurance, we will pay our pro rata share of the total claim. "Pro rata share" means the proportion of the total benefit that the amount payable under one policy, without other insurance, bears to the total benefits under all such policies.
5. any amounts paid on account of loss of earnings or earning capacity through settlement, judgment, arbitration or otherwise, where a third party may be liable, regardless of whether liability is determined.
6. any wage or salary for work performed. If Work Incentive Benefits apply to you, we will only reduce your Disability Benefits to the extent provided under your Work Incentive Benefit.

Dependents include any person who receives (or is assumed to receive) benefits under any applicable law on account of your entitlement to benefits.

*See the Assumed Receipt of Benefits provision.

Increases in Other Income Benefits

After we make the first deduction for any Other Income Benefit (except wage or salary), we will not reduce your Disability Benefits further during that period of Disability due to any cost of living increase in the Other Income Benefit.

Lump Sum Payments

Other Income Benefits or earnings that are paid in a lump sum will be prorated over the period for which the sum is given. If no time is stated, the lump sum will be prorated monthly over a five-year period.

If no specific allocation of a lump sum payment is made, we will assume the total payment is an Other Income Benefit.

Assumed Receipt of Benefits

We will assume you or your dependents, if applicable, are receiving Other Income Benefits if you may be eligible for them. We will estimate the amount of these assumed benefits on the basis of what you may be eligible to receive and reduce your Disability Benefits as if you actually received them.

Except for any wage or salary for work performed while Disability Benefits are payable, we will not assume your receipt of Other Income Benefits if you give us proof of the following events.

1. Application was made for these benefits.
2. Reimbursement Agreement is signed by you.
3. Any and all appeals were made for these benefits, or we have determined further appeals will not be successful.
4. Payments were denied.

We will not assume you have received, nor will we reduce your Disability Benefits by, any elective, actuarially reduced, or early retirement benefits under such laws until you actually receive them.

Social Security Assistance

We will, at our own discretion, assist you in applying for Social Security Disability Income (SSDI) benefits. Disability Benefits will not be reduced by your assumed receipt of SSDI benefits while you participate in the Social Security Assistance Program.

We may require you to file an appeal if we believe a reversal of a prior decision is possible. If you refuse to participate in, or cooperate with, the Social Security Assistance Program, we will assume receipt of SSDI benefits until you give us proof that you have exhausted all the administrative remedies available to you.

Minimum Benefit

We will pay the Minimum Benefit regardless of any reductions made for Other Income Benefits. However, if there is an overpayment due, this benefit may be reduced to recover the overpayment.

Recovery of Overpayment

If we overpay your benefits, we have the right to recover the amount overpaid by either requesting you to pay the overpaid amount in a lump sum or by reducing any amounts payable to you by the amount due. If there is an overpayment due when you die, we will reduce any benefits payable under the Policy to recover the overpayment.

ADDITIONAL BENEFITS

Rehabilitation During A Period of Disability

If you are Disabled and we determine that you are a suitable candidate for rehabilitation, you may participate in a Rehabilitation Plan. We must agree on the terms and conditions of the Rehabilitation Plan.

We may require you to participate in a rehabilitation assessment, at our expense, and/or Rehabilitation Plan. We will work with you, your Employer, your Physician and others as appropriate, to develop a Rehabilitation Plan. If you refuse to participate in the rehabilitation efforts, Disability Benefits will not be payable.

The Rehabilitation Plan may, at our discretion, allow for payment of your medical expense, education expense, moving expense, accommodation expense or family care expense while you participate in the program.

A "Rehabilitation Plan" is a written agreement between you and us in which we agree to provide, arrange or authorize vocational or physical rehabilitation services.

TL-005105

Survivor Benefit

We will pay a Survivor Benefit if you die while Disability Benefits are payable. The Survivor Benefit will equal 100% of the sum of the last full Disability Benefit payable to you plus any current earnings by which the Disability Benefit was reduced for that month. A single lump sum payment equal to 3 monthly Survivor Benefits will be payable.

We will pay the Survivor Benefit to your Spouse. If you do not have a Spouse, we will pay your surviving Children in equal shares. If you do not have a Spouse or any Children, no benefits will be paid.

"Spouse" means your lawful spouse. "Children" means your unmarried children under age 21 who are chiefly dependent upon you for support and maintenance. The term includes a stepchild living with you at the time of your death.

TL-005107

(980003)

WHAT IS NOT COVERED

We will not pay any Disability Benefits for a Disability that results, directly or indirectly, from:

1. suicide, attempted suicide, or whenever you injure yourself on purpose.
2. war or any act of war, whether or not declared.
3. serving on full-time active duty in any armed forces. If you send proof of military service, we will refund the portion of the premium paid to cover you during a period of such service.
4. active participation in a riot.
5. commission of a felony.
6. revocation, restriction or non-renewal of your license, permit or certification necessary to perform the duties of your occupation unless due solely to Injury or Sickness otherwise covered by the Policy.

We will not pay Disability Benefits for any period of Disability during which you:

7. are incarcerated in a penal or corrections institution.
8. are not receiving Appropriate Care.
9. fail to cooperate with us in the administration of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit due.
10. refuse to participate in rehabilitation efforts as required by us.
11. refuse to participate in a Transitional Work Arrangement or other modified work arrangement.

"Transitional Work Arrangement" means any work offered to you by the Employer, or an affiliated company while you are Disabled and which may be your own occupation or any occupation. The term includes but is not limited to reassigned duties, work site modification, flexible work arrangements, job adaptation, or special equipment.

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements may be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof that the loss continues, or proof by any other electronic/telephonic means authorized by us, must be furnished to us at intervals we require. Within 30 days of a request, written proof of continued Disability and Appropriate Care by a Physician must be given to us.

Time of Payment

Disability Benefits will be paid at regular intervals of not less frequently than once a month. Any balance, unpaid at the end of any period for which we are liable, will be paid at that time.

To Whom Payable

Disability Benefits will be paid to you. If any person to whom benefits are payable is a minor or, in our opinion is not able to give a valid receipt, such payment will be made to his or her legal guardian. However, if no request for payment has been made by the legal guardian, we may, at our option, make payment to the person or institution appearing to have assumed custody and support.

If you die while any Disability Benefits remain unpaid, we may, at our option, make direct payment to any of your following living relatives: your spouse, your mother, your father, your children, your brothers or sisters; or to the executors or administrators of your estate. We may reduce the amount payable by any indebtedness due.

Payment in the manner described above will release us from all liability for any payment made.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

TL-004724

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

Your Grace Period

If your required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

Reinstatement of Insurance

Your coverage may be reinstated if your insurance ends because you are on an Employer approved unpaid leave of absence. Your insurance may be reinstated only if reinstatement occurs within 3 months from the date it ends due to an Employer approved unpaid leave of absence.

For your insurance to be reinstated the following conditions must be met.

1. You must qualify under the Class Definition.
2. The required premium must be paid.
3. A written request for reinstatement and a new enrollment form for you must be received by us within 31 days from the date you return to Active Service.

GENERAL PROVISIONS

Incontestability Of An Insured's Insurance

All statements made by an Insured are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant. After two years from the Insured's effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud or lack of eligibility for insurance. In the event of death or incapacity, the beneficiary or representative shall be given a copy.

Misstatement of Fact

If the Insured has misstated any fact, all amounts payable under this Policy will be such as the premium paid would have purchased had such fact been correctly stated.

Workers' Compensation Insurance

This Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnished, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

1. You are actively at work. This means you are performing your regular occupation for the Employer on a Full-time or Part-time basis, either at one of the Employer's usual places of business or at some location to which the Employer's business requires you to travel.
2. The day is a scheduled holiday, vacation day or period of Employer approved paid leave of absence.

You are in Active Service on a day which is not one of the Employer's scheduled work days only if you were in Active Service on the preceding scheduled work day.

Appropriate Care

Covered Earnings

Covered Earnings means your wage or salary as reported by the Employer for work performed for the Employer as in effect just prior to the date your Disability begins. Covered Earnings are determined initially on the date an Employee applies for coverage. A change in the amount of Covered Earnings is effective on the date following the change, if the Employer gives us written notice of the change and the required premium is paid.

It does not include any amounts received as bonus, commissions, overtime pay or other extra compensation.

Any increase in your Covered Earnings will not be effective during a period of continuous Disability.

Disability/Disabled

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

The Plan Administrator designates and names the Insurance Company the named fiduciary for deciding claims and appeals for benefits under the Plan. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by applicable law.

Claims for Disability Benefits (applies to all claims filed on or after April 1, 2018)

A disability “claim” is any claim which requires a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, short/long term disability, waiver of premium, etc.). A disability claim is “filed” as of the date the Insurance Company first receives, in writing (including electronically) or by telephone (through the Insurance Company’s intake department), notice that a claimant is seeking disability benefits under the Policy. The notice of claim received should provide the date of disability/loss, the claimant’s name and address, and the group Policy holder’s name and address. Properly filed claims will be decided with independence and impartiality.

The Insurance Company has 45 days from the date it receives a claim for disability benefits to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if necessary due to matters beyond its control. The review period may be extended for up to two additional 30 day periods. If this should happen, the Insurance Company must provide its extension notice in writing before expiration of the current decision period, explaining the circumstances requiring extension and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company’s decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant’s response or upon the date the requested information is required to be furnished expires, whichever is sooner.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician’s name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary;

4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant's right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal;
5. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the claimant's adverse benefit decision, without regard to whether the advice was relied upon in making the benefit decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
6. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;.
7. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request;
8. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.

Appeal of Denied Disability Claims (applies to all claims filed on or after April 1, 2018)

Whenever a claim decision is fully or partially adverse, unless ERISA provides otherwise, the claimant must appeal once to the Insurance Company. As part of the claimant's appeal, the claimant may receive, upon request, free of charge, copies of all documents, records, and other information relevant to the claim for benefits, and the claimant may submit to the Insurance Company, written comments, documents, records, and other information relating to the claim. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.

A written request for appeal must be received by the Insurance Company within 180 days from the date the claimant received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 45 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and can extend the time for decision, once, by an additional 45 days. If this should happen, the Insurance Company must provide the extension notice, in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected. If the extension is made because additional information must be furnished, the claimant has 45 days within which to provide the requested information and the time for the Insurance Company's decision shall be tolled (stopped) from the date on which the notification of the extension was sent until the date the Insurance Company receives the claimant's response or upon the date the requested information is required to be furnished expires, whichever is sooner.

The review will give no deference to the original claim decision. The review will not be made by the person who made the initial claim decision, or a subordinate of that person. When deciding an appeal based in whole or in part upon medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment. Any medical or vocational experts consulted by the Insurance Company for the review will be identified and will not be the expert who was consulted during the initial claim decision or a subordinate of that expert.

During the appeal, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company will notify the claimant, in writing, stating what information is needed and why it is needed.

Before the Insurance Company issues an adverse benefit decision on appeal, if the Insurance Company considered, relied upon, or generated any new or additional evidence in connection with the claim, and/or if the Insurance Company intends to rely on any new or additional rationale in connection with that review, then such evidence and/or rationale will be provided to the claimant, free of charge, as soon as possible and sufficiently in advance of the date that the decision on appeal is required to be made, giving the claimant a reasonable opportunity to respond.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision on appeal is adverse, in whole or in part, the Insurance Company will provide written or electronic notice that includes:

1. The specific reason(s) for the decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits;
4. A statement describing any voluntary appeal procedures offered, and the claimant's right to obtain the information about those procedures;
5. A statement of claimant's right to bring a civil action under section 502(a) of ERISA, including a description of any applicable contractual limitations period that applies to the claimant's right to bring such an action, and the calendar date on which the contractual limitations period expires for the claim;
6. A discussion of the decision, including an explanation of the basis for disagreeing with or not following: (i) the views presented by the claimant to the Insurance Company of the health care professionals treating the claimant and vocational professionals who evaluated the claimant; (ii) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse decision, without regard to whether the advice was relied upon in making the adverse decision; and (iii) a disability decision regarding the claimant presented by the claimant to the Insurance Company made by the Social Security Administration;
7. Either the specific internal rules, guidelines, protocols, standards or other similar plan criteria the Insurance Company relied upon in making the decision, or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar plan criteria do not exist;
8. If the adverse decision is based upon medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the decision, applying the terms of the Policy to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
9. A notice provided in a culturally and linguistically appropriate manner, to the extent required by ERISA.

Claims for Non-Disability Benefits (applies to all claims filed on or after April 1, 2018)

A non-disability "claim" is any claim which does not require a determination of disability by the Insurance Company regardless of the type of policy under which it arises (for example, a death claim, an accident claim, etc.). A non-disability claim is "filed" as of the date the Insurance Company first receives, in writing or by telephone (through the Insurance Company's intake department), notice that a claimant is seeking benefits under the Policy. The notice of claim should include the group Policy holder's name, the Policy and Certificate number and the claimant's name and address.

The Insurance Company has 90 days from the date the claim is filed to determine whether or not benefits are payable in accordance with the terms of the Policy. The Insurance Company may require more time to review the claim if special circumstances exist. The review period may be extended for up to one additional 90 day period. If this should happen, the Insurance Company will provide the extension notice in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected.

During the review period, the Insurance Company may require a medical examination of the claimant, at its own expense, or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify the claimant of the date and time of the examination and the physician's name and location. If additional information is required, the Insurance Company must notify the claimant, in writing, stating what information is needed and why it is needed.

If the claim is approved, the Insurance Company will pay the appropriate benefit. If the claim decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice which will include the following information:

1. The specific reason(s) for the claim decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A description of any additional information required to perfect the claim, and the reason this information is necessary; and
4. A description of the review procedures and the time limits applicable to those procedures, including a statement of the claimant's right to bring a civil action under section 502(a) of ERISA after the claimant appeals and after the claimant receives an adverse decision on appeal.

Appeal of Denied Non-Disability Claims (applies to all claims filed on or after April 1, 2018)

Whenever a claim decision is fully or partially adverse, the claimant must appeal once to the Insurance Company. As part of the claimant's appeal, the claimant may receive, upon request, free of charge, copies of all documents, records, and other information relevant to the claim for benefits, and the claimant may submit to the Insurance Company, written comments, documents, records, and other information relating to the claim. The review will take into account all comments, documents, records and other information the claimant submits related to the claim, without regard to whether such information was submitted or considered in the initial claim decision. Once an appeal request has been received by the Insurance Company, a full and fair review of the claim appeal will take place.

A written request for appeal must be received by the Insurance Company within 60 days from the date the claimant received the adverse decision. If an appeal request is not received within that time, the right to appeal will have been waived. The Insurance Company has 60 days from the date it receives a request for appeal to provide its decision. Under special circumstances, the Insurance Company may require more time to review the claim and extend the time for decision, once, by an additional 60 days. If this should happen, the Insurance Company will provide the extension notice, in writing, before expiration of the initial decision period, indicating the special circumstances and the date a decision is expected.

If the appeal decision is adverse, in whole or in part, the Insurance Company will provide written or electronic notice that includes:

1. The specific reason(s) for the claim decision;
2. Specific reference to the Policy provision(s) on which the decision was based;
3. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits;
4. A statement describing any voluntary appeal procedures offered, and the claimant's right to obtain the information about those procedures, and
5. A statement of the claimant's right to bring a civil action under section 502(a) of ERISA.
